BUSES FOR GLEAMNS HEAD START PROGRAM

ADDENDUM I

P09-10-18

GLEAMNS Human Resources Commission gives notice of the following changes or clarifications for the purchase of buses for GLEAMNS Head Start Program:

- **CAMERA SYSTEM** – Camera over entrance door is an interior camera.
- **CHILD RESTRAINTS** – Regular size child restraints shall be equal to bus capacity (three ((3)) children per seat), excluding the two seats at emergency window exits where no children will be seated. Currently, GLEAMNS does not have any interest in integrated child restraints.
- **AIR CONDITIONING** – If available, Respondents should propose two (2) a/c systems with maximum available BTUs. If two (2) a/c systems are not available, then Respondents should propose one (1) a/c system and include the maximum available BTUs.
- **ADA REQUIREMENT** – ADA ramp for one (1) 40-45 capacity bus shall be interpreted as an ADA wheelchair lift.

All other information found in the RFP (Request For Sealed Proposals) will remain the same.
